Dr. Enti Ranga Reddy

##### Vice Chairman's

Dr. M P Sukumaran Nair

Dr. Harish Pant

##### Secretary

Er. S A Satya Murthy

##### Joint Secretary

Er. L P Sivakumar

##### Treasurer

Er. K Rajanikanth

##### Joint Treasurer

Er. Thennavarajan S

##### Nodal Officer

Dr. Jitendra Saxena,  
IE(I) Director (EEA),  
Alumni Affairs

#### My Fellow Alumni and Friends,

#### Welcome to IEIAA

On behalf of the Alumni Association, it is with great pleasure that I welcome each of you to our Alumni Association. As an office bearer of the IEI Alumni Association, I recognize your achievement and persistence in being able to crack the Sec A and B of AMIE along with your other activities and jobs and am thrilled to have you as partners in our continuing efforts to build and strengthen our incredible Engineering community.

Unlike other college students, IEI is a multi-location institution and we had no single location to where we could develop networks and become a cohesive group. But that doesn't stop our wish to form networks, work for making our Institution even greater, celebrate others and share our achievements amongst our community. Most of all, as constant learners and mentors, we would like to keep in touch with others members for fruitful discussions. IEI Alumni Association is your platform for such activities.

IEI Alumni Association, along with IE(I), are planning on hosting numerous events, programs and volunteer opportunities both locally, nationally and across IE(I). I would like to encourage all my fellow alumni to get involved and have an immediate impact upon the success of our Institution, its current students and our alumni community.

#### Stay connected!

I encourage you to join the Alumni Association today, update your profile with us, and contact one of the Office Bearers, for discussions of opportunities for our mutual success. As members, you would have

1. a strong voice to you to raise your concerns and aspirations,
2. a community that supports and works with you to fulfil your dreams,
3. a means for celebration of success of yours and your friend's achievements,
4. a platform for continuous self - improvement (a need expressed by our members) through flagship programs like the "Knowledge Series of Lectures", "The Discussions", "Mentor Mentee Contact Programs", Special Projects, a quarterly magazine for technology matters, bulletin Boards for job information and various other programs of the Alumni Association,
5. a facility to contribute to our Institution, our larger engineering community and society in general through programs and other means as necessary.

These are just a small number of ideas that we have and we are sure with you joining us we will have more ideas and have a vibrant community that both you and we will be proud of.

Also visit our website [www.ieialumni.org](http://www.ieialumni.org) for more details, lots of interesting stuff, and for working together with your colleagues for creating a great community.

Again, congratulations and Welcome!

Chairman
